PRESIDENT'S MESSAGE

SHERRY SIEGEL

We have many reasons to celebrate this month; I'll share just three.

First, Rabbi Sharfman has been named President of the Board of Rabbis of Greater Phoenix. I know you join me in feeling great pride, and in wishing the Rabbi great success and a productive term. In fact, why not congratulate the Rabbi in person tomorrow:

Tomorrow, Tuesday, May 18th, is our 7:30pm service in celebration of the Festival of Shavuot (the giving and receiving of the Ten Commandments). We'll also honor our teachers, students, Board and Advisory Committee for their participation and service, and especially honor and publicly thank our founding president, Bob Liebman.

The third reason to celebrate? We have arranged for Cantor Seth Ettinger to join us for High Holy Days and for Kabbalat Shabbat

services once each month. If you met Cantor Ettinger in April, you know he's fabulously talented, personable, and soulful. This is an exciting step forward for Kehillah.

These three reasons to celebrate are each "firsts" for Kehillah. To me, one of the most exciting and fun things about Kehillah is that we are creating it together, right now. Our celebrations, our rituals, our entire future can be whatever we want it to be. I'm so glad we're having this experience together.

Thanks for reading, and see you tomorrow at 7:30pm.

SOCIAL ACTION

From *Amina D'ambrozio*, Social Action Chairperson:

I would like to thank everyone who helped to make 5770 a successful year for Kehillah of Arizona. We raised food for the Paradise Valley Emergency Food Bank, packed food boxes for the needy at the St. Mary's Food Bank "Rock & Box" event, and served food at the UMOM New Day Center. Next year we'll begin collecting non-perishable food at each Kehillah Shabbat Service.

Over the summer I'll be planning our social action direction and activities for next year – with *your* participation and ideas. What do you care about? What problems and challenges are on your mind? Contact me with your suggestions and concerns at adambrozio@gmail.com.

EDUCATION

Our Youth Education Program (YEP), which includes a Bar/Bat Mitzvah track, is now registering students for its second year. Kehillah's innovative YEP program offers a unique family-friendly schedule. We can't say that too many times: **Unique family-friendly schedule!** If you're the parent of a school-age child (or know any), you're well aware of the exhausting challenge of after-school driving, drop-offs and pick-ups... Our unique family friendly schedule puts an end to all that – so help us get the word out! Unique family-friendly schedule!

Think you're too old for the YEP? Well, we have an "EP" for you, too. Our Adult Education Program (AEP) is ready to offer you a variety of classes and seminar topics, because it's always the right time to expand your Jewish horizons. Tell us what topics you'd like to explore in an e-mail or phone call to the Kehillah office.
